	TOTAL	£ 13,997

NOTE: In 2021, due to the Coronavirus pandemic, we were unable to run most of our usual outdoor fundraising events which significantly reduced the number and value of donations we were able to make. Neither were we able to marshal fundraising events for other charities which have previously raised more than **£100,000** p.a. for those beneficiaries e.g. the "Walk For Wards" in aid of The Stars Appeal.
